You may know Whoopi Goldberg for her world-renowned comedic wit and acting chops, but did you know she's also a big supporter of public school teachers? She's supported over 60 classroom projects on DonorsChoose.org since 2011!

Some of our favorite Whoopi-approved projects include a request for gardening tools and butterflies to create a school garden, pom-poms to enrich preschool playtime, and calculators for middle school math.

Her incredible generosity doesn't end on our website. Earlier this month, Whoopi welcomed one of our teachers to the set of *The View* and gave her the full tour! Ms. Lantigua had a blast:

Thanks for going above and beyond for DonorsChoose.org teachers, Whoopi!
